NOTICE: Whoever knowingly signs this petition more than once; signs a name other than one's own on this petition, except as provided by general laws of the state; or signs this petition when not a qualified elector of the Village of Newburgh Heights, is liable to prosecution.

To the Board of Election, Cuyahoga County, Ohio:

We, the undersigned, electors of the Village of Newburgh Heights, Ohio, hereby petition for the recall of Trevor Elkins who holds the office of Mayor in the Village of Newburgh Heights. The grounds for removal from office are as follows (not more than 200 words):

Mayor Elkins has been referred for prosecution by the Ohio Elections Commission over his misuse of roughly \$134,000 in campaign funds to cover his personal expenses. Michael Crites, a former federal prosecutor who chaired the elections commission stated that Mr. Elkins' case is "...probably the most egregious and blatant violation I've seen during my tenure on this commission."

Furthermore, the overwhelming appearance of impropriety with regard to the selective enforcement of local building ordinances, combined with his poor management of village service personnel has put his constituents in an untenable situation.

We, the undersigned voters of the Village of Newburgh Heights, do hereby declare that Mayor Trevor Elkins does not possess the integrity, nor capacity to effectively serve our community.

NOTICE: Whoever knowingly signs this petition more than once; signs a name other than one's own on this petition, except as provided by general laws of the state; or signs this petition when not a qualified elector of the Village of Newburgh Heights, is liable to prosecution.

We hereby designate the following petitioners as a committee to be regarded as filing this petition or its circulation:

RE: Void Petition for Recall Election of the Mayor of Newburgh Heights

Committee of Petitioners,

I write as counsel for the Cuyahoga County Board of Elections ("BOE") having received a document titled "Petition to Recall Trevor Elkins" as Mayor of the Village of Newburgh Heights.

The BOE is also in receipt of the enclosed legal opinion from the Law Director of the Village of Newburg Heights. The opinion establishes that the Village of Newburgh Heights is a statutory village that is not organized under a charter. The legal opinion is primarily founded upon the Supreme Court of Ohio decision in *State ex rel. Lockhart v. Boberek*, 45 Ohio St. 2d 292 (1976) to advise that the authority relied on for the petition does not apply to unchartered villages. Specifically, the Supreme Court held as follows:

The clear meaning of R. C. 705.91 is that the provisions of R. C. 705.92 go into effect only to the extent that they have been adopted by the voters of a municipal corporation as part of a home-rule charter. Thus, R. C. 705.92 can have no application to a non-chartered village such as Valley View. Removal of officials in non-chartered villages is governed by R. C. 733.34 through 733.39; in municipal corporations, generally, by R. C. 733.72 through 733.77; and in the state, municipalities and counties by R. C. 3.07 through 3.10. No provision for a recall is contained in any of those statutes.

Lockhart at 294 (emphasis added). Accordingly, the document purporting to be a petition to recall the Mayor of the Village of Newburgh Heights is a nullity, and the Board of Elections is taking no action on the submission. Specifically, the BOE will not review, and conveys no determination concerning, the form or the sufficiency and validity of the signatures contained the materials submitted, and the BOE will not schedule an election on the question.

MEMORANDUM

TO: Cuyahoga County Board of Elections

Attn: Mr. Brent Lawler

CC: Mayor Trevor Elkins

Members of Council

FROM: Luke F. McConville, Esq.

DATE: December 17, 2021

RE: Invalid Recall Petition in the Village of Newburgh Heights

FACTS

On December 8, 2021, a recall petition (the "Petition") was filed by residents of the Village of Newburgh Heights with the Cuyahoga County Board of Elections. The Petition seeks to recall Newburgh Heights Mayor Trevor Elkins.

The Village of Newburgh Heights is a non-chartered statutory village under Ohio law. The Ohio Secretary of State has certified the results of the 2020 Federal Census determining that Newburgh Heights has a population of 1,862 and remains a village pursuant to Ohio law.

LAW AND ANALYSIS

There is no right of recall of an elected official for a non-chartered statutory village. <u>State ex rel. Lockhart v. Boberek</u> (1976), 45 Ohio St.2d 292. In <u>Lockhart</u>, the Ohio Supreme Court stated in its Syllabus:

The provisions of R.C. 705.92, permitting recall of the elective officers of a municipal corporation, go into effect only to the extent that they have been adopted by the voters as part of a home-rule charter. (R.C. 705.91 and 705.92 construed.)

For purposes of this analysis, it is necessary to understand the difference between charter and non-charter municipalities in connection with their authority to adopt recall as part of their governing structure. The Ohio Constitution creates a framework for a municipality to adopt a charter and thereby define their own governmental structure. Ohio Const. art XVIII, §7. It is well established under Ohio law that a charter municipality has the authority to provide for the recall of its elected officials. <u>State ex rel. Hackley v. Edmonds</u> (1948), 150 Ohio St. 203, 80 N.E.2d 769 (Syllabus Para. 1). The Court in <u>Hackley</u> stated:

Section 7 of Article XVIII of the Constitution of Ohio vests in a municipality adopting a charter pursuant thereto the power to prescribe the manner of selecting the members of its council, to fix the terms of such members, and to so restrict the tenure of office of such members as to make such tenure dependent upon the will of the electors.

A non-charter municipality, on the other hand, is bound by the governmental structure established by statutory law. <u>Village of Wintersville v. Argo Sales Co.</u> (1973), 35 Ohio St.2d 148, 299 N.E.2d 269. In particular, Ohio Constitution art. XVIII, §2 provides that:

General laws shall be passed to provide for the incorporation and government of cities and villages, and additional laws may also be passed for the government of municipalities adopting the same; but no such additional law shall become operative in any municipality until it shall have been submitted to the electors thereof, and affirmed by a majority of those voting thereon, under regulations to be established by law.

Thus, the Ohio Constitution allows for two categories of statutory municipal governments: the form established by general laws and the optional forms of government which may be adopted by the electors of a municipality. 1989 Ohio Ap.

Atty. Gen 2-212 (Ohio AG), 1989 WL 455395. The general laws establishing statutory forms of government for non-charter villages and cities are found at R.C. Chapters 731 and 733. Three additional forms of government may be adopted by the electors of a municipality pursuant to R.C. Chapter 705. The provisions of Chapter 705 were expressly adopted as "additional laws" pursuant to Ohio Constitution art XVIII, §2. 1989 Ohio Ap. Atty. Gen 2-212 (Ohio AG), 1989 WL 455395, referring to 1913 Ohio Laws 767 (H.B. 522, passed April 28, 1913.)

Since the Village of Newburgh Heights is a statutory village, has no charter, and has never adopted one of the optional statutory plans of government set forth in R.C. 704.41 to 705.86, the recall provisions set forth in R.C. 705.91 and 705.92 do not apply to it. 1989 Ohio Ap. Atty. Gen 2-212 (Ohio AG), 1989 WL 455395. The recall provisions set forth in R.C. 705.91 and R.C. 705.92 do not even apply to a chartered municipality unless the electors of that municipality have so elected.

The procedure set forth in R.C. 705.91 for the adoption of the recall procedures of R.C. 705.92 applies only to cities exercising one of the optional statutory plans of government set forth in R.C. 705.41 to 705.86 and has no application to a charter municipality which chooses to incorporate statutory recall procedures into its charter pursuant to Ohio Const. art XVIII, §§7, 8 and 9.

Id., at Syllabus Paragraph 2.

There is no mechanism under Ohio law to recall elected officials of a non-chartered, statutory village. R.C. Chapters 731 and 733; <u>Lockhart</u>. In this instance, since Revised Code Sections 705.91 and 705.92 do not apply to the Village of Newburgh Heights (since it is a non-chartered statutory village) and since there is no mechanism under Ohio law to recall elected officials of a non-chartered, statutory village, the Petition is void *ab initio* and is of no legal effect.

The fact that the Federal Census determined that the population of Newburgh Heights is less than 2,000 has no impact whatsoever on the analysis set forth herein. The Federal Census confirms that Newburgh Heights is a village.

Re: Petition to Recall Trevor Elkins

Dear Mr. Musson,

I am writing on behalf of my clients, the Petitioners' Committee for the Petition to Recall Trevor Elkins (the Mayor of Newburgh Heights). That Recall Petition was recently filed with the Cuyahoga County Board of Elections. I am in receipt of your December 20, 2021, letter to the members of the Petitioners' Committee: Adam Mazur, Ken Nehez, and Cindy Nehez.

Your December 20, 2021, letter and the memorandum attached to it are accurate and correct interpretations of the language of the *prior* version of R.C. 705.92, but disregard the amendments to R.C. 705.92 that were made by the Ohio General Assembly in H.B. 463 (131st G.A), effective April 6, 2017. I respectfully ask that you reconsider your opinion to the Cuyahoga County Board of Elections in light of the 2017 statutory changes to R.C. 705.92.

Mr. McConville correctly notes in his December 17, 2021, memorandum that "[a] non-charter municipality . . . is bound by the governmental structure established by statutory law." Prior to 2017, R.C. 705.92's general language that "any elective officer of a municipal corporation may be removed from office" by recall was interpreted in light of R.C. 705.91 to apply only to charter municipalities. However, from 2017 on, "the governmental structure established by statutory law" has provided that the right to use R.C. 705.92's procedure to remove "any elective officer of a municipal corporation" applies "[n]otwithstanding . . . any other provisions in the Revised Code to the contrary."

Mark R. Musson, Esq. Re: Petition to Recall Trevor Elkins January 14, 2022 Page 2

1. State ex rel. Lockhart v. Boberek interpreted R.C. 705.92 in light of R.C. 705.91

In State ex rel. Lockhart v. Boberek (1976), the Ohio Supreme Court interpreted R.C. 705.92 as applying only to charter municipalities – and not to non-charter municipalities. At the time, nothing in R.C. 705.92 precluded reliance on other provisions of the Revised Code to limit the application of R.C 705.92. At the time, the first sentence of R.C. 705.92 merely stated: "Any elective officer of a municipal corporation may be removed from office by the qualified voters of such municipal corporation." R.C. 705.92 then proceeded to describe the recall process.

R.C. 705.91 stated (and still states) that regarding charter plans, "Section 705.92 of the Revised Code shall be submitted, with each such plan, to the electors of the municipal corporation as prescribed in section 705.03 of the Revised Code, and shall go into effect and form a part of any such plan of government only to the extent to which such section has been adopted under section 705.03 of the Revised Code."

Thus, the *Lockhart v. Boberek* court concluded that "[t]he clear meaning of R.C. 705.91 is that the provisions of R.C. 705.92 go into effect only to the extent that they have been adopted by the voters of a municipal corporation as part of a home-rule charter."

The authorities following *State ex rel. Lockhart v. Boberek* (1976) that were cited in your letter and in the attachment to your letter all predated 2017, and interpreted the language of R.C. 705.92 in light of R.C. 705.91.

2. Since 2017, the provisions of R.C. 705.92 are no longer limited by R.C. 705.91.

In 2017, the General Assembly changed the law to prevent R.C. 705.91 – or any other provision of the Revised Code – from making the language of R.C. 705.92 ineffective in non-charter municipalities. The General Assembly accomplished this by adding the following underlined language to the first sentence of R.C. 705.92:

"Notwithstanding Section 38 of Article II, Ohio Constitution, or any other provisions in the Revised Code to the contrary, any elective officer of a municipal corporation may be removed from office by the qualified voters of such municipal corporation."

Since nothing in R.C. 705.92 limits "any elective officer" to charter municipalities, and since the General Assembly has now expressly prohibited relying on "any other provisions of the Revised Code to the contrary" to so limit it, your December 20, 2021, opinion letter is in error as to the scope of the *current* statute, and the citizens of the Village of Newburgh Heights have the right to recall their mayor, pursuant to the current version of R.C. 705.92.

Mark R. Musson, Esq. Re: Petition to Recall Trevor Elkins January 14, 2022 Page 3

Thus, I respectfully request that you reconsider your opinion in light of this 2017 statutory change, and that you advise your client, the Cuyahoga County Board of Elections to review and (if there are sufficient valid signatures) to certify the Petition to Recall Trevor Elkins.

ery truly yours,

Board of Elections Analysis of Protest

January 25, 2022 Board Meeting

Protest Filed: December 17, 2021
Protest Filed By: Trevor Elkins

Candidate/Office: Mayor of the Village of Newburgh Heights, Trevor Elkins

Issue: Challenged validity of recall petitions

Election Date: May 3, 2022

Background

 On December 17, 2021 Trevor Elkins filed a complaint with Brent Lawler, Campaign and Petition Services Manager, regarding inconsistencies in circulator Branden Nehez's two part petitions due to:

- Providing conflicting addresses:
 - The address provided by Mr. Branden Nehez on the circulator statements: 3636 Washington Park Blvd., Newburgh Heights
 - The address provided by Mr. Branden Nehez as a petition signer: 4519 Beta Ave., Newburgh Heights
- That two members of the petitioner's committee conspired with the circulator in making the false statement.
- On January 12, 2021 Prosecutor Mark Musson sent Mayor Elkins a letter notifying him that
 an investigation of his allegations will not occur because the petition itself was invalid. The
 Board unanimously voted at the January 11, 2021 Board Meeting to approve a motion
 directing the prosecutor to notify Mayor Elkins that an investigation of the allegations
 would not occur.

Registration Manager Betty Edwards reviewed the protest and offered her observations below:

- Three part petitions were submitted to the Board of Elections:
 - Part Petition 1 Circulated by Adam Mazur
 - Part Petition 2&3 Circulated by Branden Nehez. He provided the 3636 Washington Park Blvd., Newburgh Heights address on the circulator statement.
- Part Petition 3, line 3 Branden Nehez signed and provided the 4519 Beta Ave., Newburgh Heights address as his residential address which did <u>not</u> match his registration record in the DIMs database.
 - o Branden Nehez signature was not valid due to him signing a part petition that he circulated.
- Part Petition 3, line 23 Kenneth Nehez signed and provided the 3636 Washington Park Blvd., Newburgh Heights address as his residential address which matched his registration record in the DIMs database.
- Part Petition 3, line 24 Cynthia Nehez signed and provided the 3636 Washington Park Blvd., Newburgh Heights address as her residential address which matched her registration record in the DIMs database.

Received by Board of Elections Staff: Brent E. Lawler

Trevor K. Elkins 3888 E 43rd Street Newburgh Heights OH 44105

December 16, 2021

Cuyahoga County Board of Elections 2925 Euclid Avenue Cleveland OH 44115

Dear Brent Lawler:

I, Trevor K. Elkins, state that the individuals named below have conspired collectively as well as independently to violate election law by fraudulently circulating and filing a petition for recall of the mayor of the Village of Newburgh Heights. As noted, and acknowledged by their submission and circulation of the petition, this is a felony of the 5th degree and should immediately be reviewed and referred to the Cuyahoga County Prosecutor's Office for prosecution.

The following is the irrefutable evidence of the commission of the felony election law violation:

- 1. Document A: Receipt of submittal of Recall petition in the form of 3 part-petitions and 49 signatures for consideration.
- 2. Document B: 3 part-petitions, each signed by the circulator and where part-petitions 2 and 3 "CIRCULATOR STATEMENTS" are signed independently and are not photocopies of a signature.
- 3. Document B: Ken Nehez and Cindy Nehez are 2 of the 3 petitioners as the "committee to be regarding as filing this petition or its circulation," indicating their legal address as 3636 Washington Park Boulevard, Newburgh Heights
- 4. Document C: CIRCULATOR STATEMENT of part-petition 2. Branden Nehez declares under penalty of election falsification that "I reside at the address appearing below my signature..." The address he declares is 3636 Washington Park Boulevard, Newburgh Heights OH 44105. He declares this by affixing his signature next to the bolded and boxed statement which reads: WHOEVER COMMITS ELECTION FALSIFICATION IS GUILTY OF A FELONY OF THE FIFTH DEGREE.
- 5. Document D: CIRCULATOR STATEMENT of part-petition 3. Branden Nehez declares a second time by signing separately (as this is not a photocopied part-petition circulator signature) under penalty of election falsification that "I reside at the address appearing below my signature..." The address he declares is 3636 Washington Park Boulevard, Newburgh Heights OH 44105. He declares this by affixing his signature next to the bolded and boxed statement which reads: WHOEVER COMMITS ELECTION FALSIFICATION IS GUILTY OF A FELONY OF THE FIFTH DEGREE.

- 6. Document E: Branden Nehez signs part-petition 3, line 3 as a Qualified Elector declaring his residence address as 4519 Beta Avenue, Newburgh Heights, OH 44105.
- 7. Document F: Branden Nehez makes a Facebook post on December 7 at 2:55 PM stating the house upstairs from us (4519 Beta Ave) is for rent.
- 8. Document G: Tiffany Barfield sign part-petition 3, line 4 as a Qualified Elector declaring her residence address as 4519 Beta Avenue, Newburgh Heights, OH 44105.
- 9. Document H: Tiff Amber (Tiffany Barfield) makes a Facebook post on December 7 at 2:44 PM stating upstairs for rent \$895 beta Avenue.
- 10. Document I: Email correspondence from the property manager, secured through valid public record request, indicating Branden Nehez and Tiffany Barfield live at 4519 Beta Avenue.
- 11. Branden Nehez is the subject of a news story indicating his vehicle had been hit in front of his home on April 5, 2021, just before he, his girlfriend (Tiffany Barfield), and his child were going to visit his sister. Link: https://www.cleveland19.com/2021/04/13/newburgh-heights-father-struggling-get-back-his-feet-after-car-totaled-by-driver-heroin/
- 12. Document J: Kenneth Nehez and Cynthia Nehez sign part-petition 3, lines 23 and 24 respectively as Qualified Electors declaring their residence address as 3636 Washington Park Boulevard, Newburgh Heights OH 44105. The same address Braden Nehez declared as his residency as circulator of part-petition's 2 and 3.

Calling for the removal of a duly elected and serving official from office is a serious matter that must meet the highest level of scrutiny and accountability, especially considering the dubious, scurrilous, and uninformed allegations made by this particular committee as to the reasoning for the effort to begin with.

Branden Nehez knowingly, fraudulently, and deceptively circulated a petition by stating his address as a circulator at 3636 Washington Park Boulevard despite the irrefutable evidence and his own admissions by signing as a Qualified Elector residing at 4519 Beta Avenue.

Ken Nehez and Cindy Nehez conspired with Branden Nehez to knowingly, fraudulently, and deceptively circulate and file this petition as the committee "to be regarded as filing this petition or its circulation" They knew Branden Nehez did not reside at 3636 Washington Park Boulevard as they had signed the same part-petition with their residence as 3636 Washington Park Boulevard.

Branden Nehez 4519 Beta Avenue Newburgh Heights OH 44105

Ken Nehez 3636 Washington Park Blvd Newburgh Heights OH 44105 Cindy Nehez 3636 Washington Park Blvd Newburgh Heights OH 44105

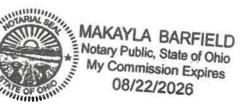

I am respectfully asking for the Cuyahoga County Board of Elections to review the irrefutable facts and meet its obligation to refer this matter to the Cuyahoga County Prosecutor's Office for prosecution of a felony of the 5th degree, as stated by each part-petition and acknowledged by Branden Nehez, Ken Nehez, and Cindy Nehez through their participation in the circulation or filing of this petition, that such a violation constitutes.

Sincerely,

Trevor K. Elkins

SWORN TO BEFORE ME, and signed in my presence this ______ day of December 2021.

NOTICE: Whoever knowingly signs this petition more than once; signs a name other than one's own on this petition, except as provided by general laws of the state; or signs this petition when not a qualified elector of the Village of Newburgh Heights, is liable to prosecution.

To the Board of Election, Cuyahoga County, Ohio:

We, the undersigned, electors of the Village of Newburgh Heights, Ohio, hereby petition for the recall of

Trevor Elkins who holds the office of Mayor in the Village of Newburgh Heights. The grounds for removal from office are as follows (not more than 200 words):

Mayor Elkins has been referred for prosecution by the Ohio Elections Commission over his misuse of roughly \$134,000 in campaign funds to cover his personal expenses. Michael Crites, a former federal prosecutor who chaired the elections commission stated that Mr. Elkins' case is "...probably the most egregious and blatant violation I've seen during my tenure on this commission."

Furthermore, the overwhelming appearance of impropriety with regard to the selective enforcement of local building ordinances, combined with his poor management of village service personnel has put his constituents in an untenable situation.

We, the undersigned voters of the Village of Newburgh Heights, do hereby declare that Mayor Trevor Elkins does not possess the integrity, nor capacity to effectively serve our community.

NOTICE: Whoever knowingly signs this petition more than once; signs a name other than one's own on this petition, except as provided by general laws of the state; or signs this petition when not a qualified elector of the Village of Newburgh Heights, is liable to prosecution.

We hereby designate the following petitioners as a committee to be regarded as filing this petition or its circulation:

To the Board of Election, Cuyahoga County, Ohio:

We, the undersigned, electors of the Village of Newburgh Heights, Ohio, hereby petition for the recall of Trevor Elkins who holds the office of Mayor in the Village of Newburgh Heights. The grounds for removal from office are as follows (not more than 200 words):

Mayor Elkins has been referred for prosecution by the Ohio Elections Commission over his misuse of roughly \$134,000 in campaign funds to cover his personal expenses. Michael Crites, a former federal prosecutor who chaired the elections commission stated that Mr. Elkins' case is "...probably the most egregious and blatant violation I've seen during my tenure on this commission."

Furthermore, the overwhelming appearance of impropriety with regard to the selective enforcement of local building ordinances, combined with his poor management of village service personnel has put his constituents in an untenable situation.

We, the undersigned voters of the Village of Newburgh Heights, do hereby declare that Mayor Trevor Elkins does not possess the integrity, nor capacity to effectively serve our community.

NOTICE: Whoever knowingly signs this petition more than once; signs a name other than one's own on this petition, except as provided by general laws of the state; or signs this petition when not a qualified elector of the Village of Newburgh Heights, is liable to prosecution.

We hereby designate the following petitioners as a committee to be regarded as filing this petition or its circulation:

Re: Newburgh Heights Housing and Building Department

Hi Addie - good afternoon!

I am so sorry - I completely forgot we are to report this information to you. We will do better going forward! :) Yes, the address 4519 Beta has two new tenants. Down unit is Tiffany Balfield (216-970-4115) and Brandon Nehez (216-420-3828) and they moved in 5/4/2020. The Up unit at Beta is William Vactor (216-820-1574) and he moved in 6/1/2020. Also, at 3963 E 42nd Street - down unit - new move in Darius Ellison (216-931-6472), and he moved in last Friday, June 19, 2020. I again apologize for the oversight - this is a new process we have to get used to! Thanks, Addie - please let me know if you have any further questions on this.

Helio Mary,

I received a voicemail from a tenant at 4519 Beta Ave. one of MWH Capital's rental properties. I was surprised to hear from a tenant at that property as it had not been reported to us as rented. You are required to report to us when a tenant moves into the property. He let us know that both units are rented. Please provide the names and phone numbers for the tenants currently living at the property.

RE: Complaint Regarding Void Petitions for Recall Election

Mr. Elkins,

I write on behalf of the Cuyahoga County Board of Elections concerning the complaint that you filed on December 17, 2021 relating to the petition for a recall election of the Mayor of Newburgh Heights. The Board of Elections considered your complaint at its meeting on January 11, 2022, and the Board unanimously approved a motion directing me to notify you that an investigation of your allegations will not occur.

The Board of Elections declined to investigate your allegations because the petition itself was invalid for reasons previously explained to you. Since the Board of Elections will not verify the signatures, registrations or circulators appearing on the petition, no election falsification could have transpired. Moreover, the discrepancies you describe, which could result in signatures or part-petitions being discounted, typically would not give rise to an investigation for election falsification.

Thank you for raising your concerns. The matter is now closed.

Mark R. Musson

Very truly yours

Assistant Prosecuting Attorney
